REMARKS

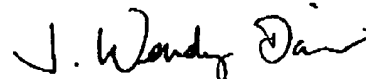

AUG 28 2006

The above notice states that Figures 3A-3C are listed in the Brief Description of the Drawings in the specification but not contained in the drawings and that Figures 2C, 2D and 3 are contained in the Drawings but not listed in the Brief Description of the Drawings in the specification. In response, Applicants submit that the notice appears to be in error, as a substitute specification was filed on February 26, 2004 to replace the originally filed specification as requested by the Examiner in the Office Action dated November 26, 2003. In that substitute specification, the drawings and the Brief Description of the Drawings in the specification are consistent.

Applicants again submit a photocopy of the substitute specification including the drawings that was initially submitted on February 24, 2004. No new matter is introduced in this response.

This document is filed timely and no fees are believed to be due. However, should any fees under 37 C.F.R. §§ 1.16 to 1.21 be deemed necessary for any reason relating to this document, the Commissioner is hereby authorized to deduct said fee from Howrey LLP Deposit Account No. 08-3038/13475.0002.PCUS00.

Respectfully submitted,

J. Wendy Davis, Ph.D.
